REPLY TO EXAMINER INTERVIEW

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to further examination on the merits, please consider the following remarks
pursuant to the Examiner interview held on April 14, 2000:

REMARKS

Applicants are grateful to the Examiner again for his careful consideration of all the
issues as reflected in the interview granted on April 14, 2000. To complete the record,
Applicants would like to respond to the points raised by the Examiner at the interview.
At the outset, however, Applicants note that the evidence presented herein and over the course
of prosecution of this application leaves only one of two options:

- (1) The first option is that Pieczenik be removed from the present analysis and an
